7. as Mr AMODU AMUGILI KOROMA is also president of his own association RPG-AFRICA, we, NADEUM, hope for a close cooperative collaboration.

8. ACAPMUSSCYC: African Community Action Programme for the Mobility of University Students and Skilled Craftspeople-as-well-as-Youth-and-Children. (<https://nadeum.eu/projekte/p004/>) has developed into a holistic project through the current collaboration of AFRIKANER. It primarily involves the transfer of knowledge to all Africans of all genders. But it also means that the entire infrastructure, logistics and administration of Africa is implementing this project independently.

This means that the CEO of West Africa should encourage all Africans through his appearance and motivate them to actively participate in this long-term project and build it themselves.

AMODU AMUGILI KOROMA has the task of publicising the "PROJECT P004 ACAPMUSSCYC" in this part of WEST AFRICA and actively addressing as many people as necessary.

CEO WEST AFRICA:

To actively support the ACAPMUSSCYC project, which is a LONG-TERM PROJECT of NADEUM for AFRICA. To collect ideas and document the entire process:
